UNAPPROVED USE WARNING: Please read the FDA-approved label for CellCept before prescribing. If the indication for which you are prescribing CellCept is not listed in the label, you are prescribing CellCept for an "unapproved" use. The fact that the use for which you are prescribing CellCept is not listed in the FDA-approved label indicates that the FDA has not approved the efficacy, dosage amount or safety of CellCept when used for such a use. Nevertheless, GATCF will consider providing CellCept for your patient with this admonition, based upon your medical order, within program requirements.

By signing below, I certify that (a) the above therapy is medically necessary, (b) I have received the necessary authorization to release the above-referenced information and other protected health information (as defined by the Health Insurance Portability and Accountability Act of 1996 [HIPAA]) to Genentech, Inc., and contracted dispensing pharmacy or other contractors for the purpose of requesting reimbursement, assisting in initiating or continuing therapy and/or the evaluation of the patient's eligibility for GATCF related to Genentech products, as a break in treatment would negatively impact the patient's therapeutic outcome and (c) I will not attempt to seek reimbursement for free product provided directly to the patient.

I agree to comply with the program guidelines as established by Genentech, Inc. and understand that GATCF, at its sole and absolute discretion, reserves the right to modify or discontinue the program at any time and to verify the accuracy of the information submitted.

If applying for GATCF, I certify that this patient has no medical insurance coverage or otherwise meets the financial criteria for the pharmaceutical identified above and is not eligible for other public health insurance programs.

Special Note: Prescribers in all states must follow applicable law for a valid prescription. For prescribers in states with official prescription form requirements, such as New York, please submit prescriptions on an official state prescription blank along with this form.
